

Captain Stuart Newton asked young Matt to step up to the plate and play right back for us today for the first time. The Vine pressed on courageously, pushing forward at every opportunity with their task force of 9 good men - Matt, under the watchful eyes of the more experienced Stuart Newton, Dominic Smith & Gregory Lyford, soaked up some considerable pressure and didn't seem to put a foot wrong. Despite Nerko's Hat-trick, a resilient performance by Danny Lynch, some amazing footwork from Lewis Smith, an incredible debut exhibition from Damian Marshall after recovering from operation and a good solid performance from Tom in the midfield, the youngster Matt Griffiths became a man today - great execution, great attitude & good football. Well done Matt.
